

***Health Education Network – October 3, 2007 (1:30- 4:00pm)***  
***3530 Wilshire Blvd. 8<sup>th</sup> Floor, Conference Room C***

***“Not Knowing: The Implications on Our Children’s Oral Health”***

**Purpose of Health Education Network Meetings:**

1. To provide a health education forum for countywide health educators to: collaborate on projects/activities, share resources, network, eliminate duplication of efforts, provide updates, and voice needs and concerns.
2. Address training and other health education needs based on health educators’ professional and personal areas of interest.
3. Keep the health education staff abreast of internal and external topics, including trends and issues affecting the practice of health education.

**Desired Outcomes of this Health Education Network Meeting:**

1. Increased knowledge on the topic of the tooth decay problem in California.
2. Increase knowledge of water fluoridation and current prevention efforts to promote the treatment of tooth decay in early childhood.
